**We dedicate our Cardinal to
Phyllis Mack, who still lives as
vividly as ever in our memories.**

PHYLLIS MACK

There she stands . . .

**but it takes more than a
building to make a school . . .**

"Hasn't this been fun!"

"Ok -- knock it off!"

“A pinch of salt??”

“310, 311-- Boy, this election is in the bag!”

"Simmer down--you'll get your share."

"Hurry--tomorrow is the deadline."

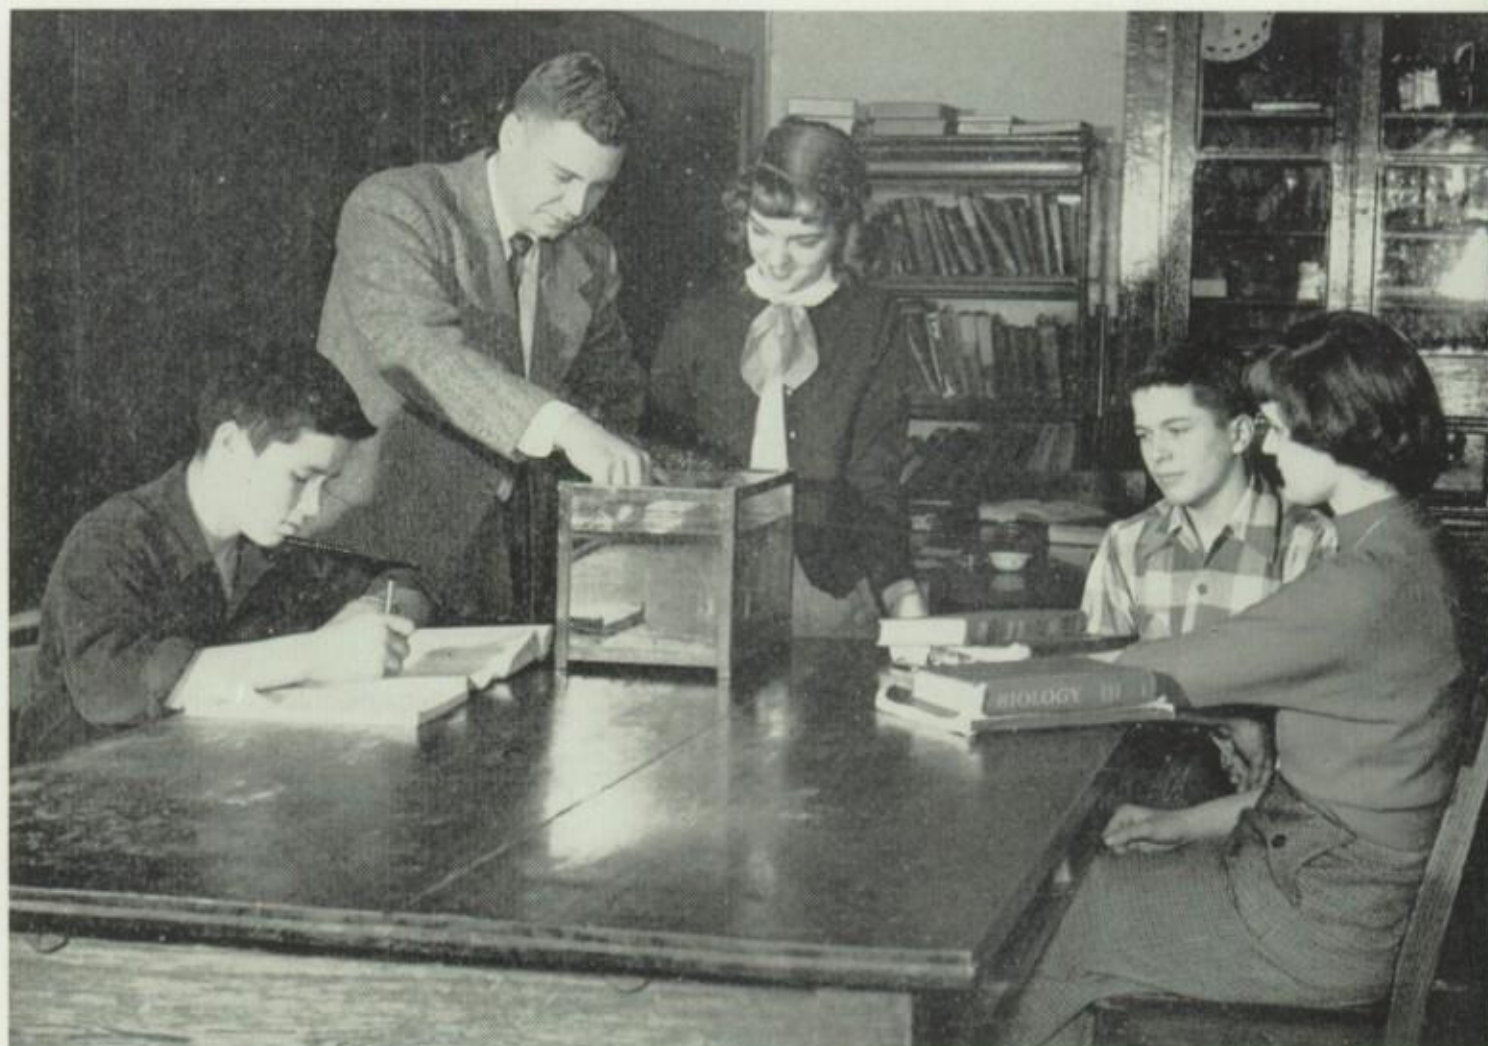

"I think your best bet would be to--"

"This film deals with contemporary literature."

"Thus, we have the oxygen-carbon dioxide cycle."

"Golly, that was one of the best assemblies yet."

“Therefore, our increasing population is --”

“-- another cup before the meeting.”

SENIOR CLASS REVIEW

As we look around to see our fellow classmates in their graceful caps and gowns receiving their diplomas with dignity and solemnity, we begin reminiscing . . .

On September 8, 1948, we were walking as fast as our wobbly legs would carry us into the huge Lincoln study hall where a sea of strange faces greeted us. After the first day of enrollment, the strange faces became personalities with whom we were to share the next six years of fun and work. Our class immediately elected as president, John Swain; vice-president, Mickey Cochrane; treasurer, Geraldine Grigg; and secretary, Beverly Devlin. Those wonderful class parties where girls wore hose and fellas ties for the first time will always be among our memories.

When we entered the eighth grade, we felt very much at home and had to smile at the new seventh graders who appeared so nervous. Jim Zabonick received the top honors in our election of officers. Janice Soule, vice-president; Doris Lind, secretary; Gloria Meier, treasurer; and Mickey Cochrane, Student Council representative, completed the official line-up. Katharine Stott and Mary Minier walked away with the History Awards. We really buckled down while in eighth grade and anxiously awaited the following fall when we would be knighted "Sir FRESHMEN."

Will we ever forget our freshman year when we were an ardent fan of the reserve football, basketball, and baseball teams? Thirty of the rugged males in our class were in the limelight in those games. We backed our team with the leadership of our vigorous reserve cheerleaders, Gloria Meier, Polly Jo Mason, Beverly Devlin, Sylvia Allen, and Sally Lundquist. President Jack Stansell was assisted by his cabinet of Mickey Cochrane, vice-president; Katharine Stott, treasurer; and Janice Soule, secretary. After an enthusiastic campaign, Pat Green won the office of President of the Student Council. Our good citizens for the year were Jerry Helmer and Gloria Meier. In June we said "good-bye" to the Lincoln building and gazed across the court to our home for the next three years — Roosevelt Building.

We were now the proud co-owners of messy lockers way up on third floor, but that is one of the glories of being a sophomore in senior high. We discovered that the kids over here were swell, and we certainly enjoyed the Sophomore

Reception they had for us. Remember how proud we were that a member of our class, Katharine Stott, won the "I Speak For Democracy" contest? Our competent commissioners were Donna Bodie and Roger Dennis. Sally Lundquist acted as madame president; Bruce Dillon, vice-president; Mickey Cochrane, secretary; and Gloria Meier, treasurer. The varsity Cards saw seven sophomores (Jack Stansell, Richard Dirschell, Bob Tucker, Bruce Dillon, Joe Wilkins, Mickey Cochrane, and Ed. Gifford in their midst. Gloria Meier and Beverly Devlin were promoted to varsity cheerleaders.

Our year to shine in dramatics was 1952. The hilarious play, "You Can't Take It With You", presented March 27 and 28, gave the people of Coldwater a chance to forget their troubles. The Homecoming Queen's court was graced by two lovely junior girls, Jean Forester and Marilyn Dickey. Alyce Aiken was elected Clerk on the Commission and Natalie Bovee and Bruce Dillon were our Junior Commissioners. Our class president was Tom Cranson; vice-president, Polly Jo Mason; secretary, Roger Dennis; and treasurer, Remus Rigg. It really seemed great to see so many of our fellas in the line-up on the varsity team. Sylvia Allen and Kay Thomas donned varsity cheerleading outfits. Our evening at the Junior-Senior Banquet and Prom was very enjoyable and at the same time sad — this was good-bye to our senior pals.

As we look back on our last year in high school, we are reminded that the year has fairly flown by with the many events. The senior year started off with the Sophomore Reception on October 8. Our politicians were Jerry Helmer, president; Natalie Bovee, vice-president; Katharine Stott, secretary; Remus Rigg, treasurer; and Roger Dennis, Mayor. Patsy Robinson and Marlene Woods were our commissioners. Petite Marilyn Dickey was crowned Homecoming Queen; Jean Forester and Kay Thomas were the senior members of her court. Pat Taylor was in the Harvest Queen's court. The sophisticated comedy, "The Man Who Came To Dinner," proved to be a tremendous success on November 20 and 21. The operetta "Model Bride" was staged on May 1 by the girls. Gloria Meier was chosen D. A. R. Girl, and Janice Soule and Jerry Helmer as Ideal Girl and Boy. Gloria Meier and Katharine Stott were Valedictorian and Salutatorian. The Jr.-Sr. Banquet and Prom and the long-awaited Washington trip with Mrs. Ethel Hawley and Mr. Bertrand Sibley, our class advisors, were more events that provided us with school memories in the years to come.

VALEDICTORIAN

GLORIA MEIER

When we receive our diplomas at the graduation exercises in June, we'll certainly have a different feeling than our grandparents did in the same situation. It was quite an accomplishment for them to go through twelve years of formal schooling, but now it is more or less expected that we at least go through high school. Years ago, graduation from the eighth grade was quite an event — it sent its graduates out to pave their roads in life. We can't hope to be prepared and fit for the long road ahead at that age. More and more is being required of us before we take that final step, independently, into the world's busy whirl. Not only does this onward chase of education exist right here in our high schools, but in other higher institutions of learning and every phase of life itself. A degree from college doesn't begin to carry the value it did fifty years ago.

Of course, only through education can we hope to contribute in this world and enrich our own lives. I only hope that we don't, in the rush of things, get too involved and wrapped up in learning that we spend too much time striving for a higher educational goal and in so doing, sacrifice our happiness and lose our sense of evaluating the really important things in life. "Education does not make a man good, it only makes him clever." — *Rousseau*.

SALUTATORIAN

KATHARINE STOTT

James Monroe once said, "A free, virtuous, and enlightened people must know well the great principles and causes on which their happiness depends."

During our twelve years in school we have been given the tools to lead a useful life. Our education has not been presented to us on a silver platter for us to squander. The community has a right to expect us to pay for it in practicing enlightened citizenship.

Today America is one of the world's foremost nations. She has many crucial decisions to make. Our country can only make the right choices by listening to the voice of the people — this is inherent in our democratic tradition.

We must be aware of the tensions in the world today and their underlying causes. We must keep ourselves informed of the many social, political, and economic developments. In a republic, the decisions of the leaders rely upon the will of the people. After the errors in policy are made we blame Washington but the fault lies with us. We cannot expect to develop our capabilities in a free land unless we perform our duties as citizens. We must shoulder the responsibilities laid upon us.

ROOSEVELT STUDENT COMMISSION

Mayor - Roger Dennis

- An unusual situation and six hard-working Commissioners added up to a very successful year for the 1952-1953 Roosevelt Student Commission. The unusual situation was the father-son combination which shared the executive duties of both the High School and the Commission. Mr. Dennis, our principal, and Roger Dennis, our Mayor, cooperated to the fullest extent in the accomplishments of the student government. The Clerk, Marilyn Gray, competently kept records of the actions of Patsy Robinson and Marlene Woods, Senior Commissioners; Barbara Weeden and Stewart Gordon, Junior Commissioners; and Don McCann and Rita Weeks, Sophomore Commissioners. Among their successful ventures was the extensive revision of the outdated school constitution. The Commission, cooperating with the G.A.A., the Sophomore Class, and the A-Band, purchased a folding wheel chair for Joan Burlew.

LINCOLN STUDENT COUNCIL

President -- David Cranson

- The Lincoln Student Council, headed by its president David Cranson, sponsored the annual magazine sale which brought in \$3,227.40. A generous check from the profits of this project was sent to the Community Chest. Initiating a new system, the class parties in the seventh, eighth, and ninth grades have been opened to the entire Junior High. Four parties, separately sponsored by the individual classes and the Student Council, were held on November 14, March 6, April 10, and May 8.

Money earned by the Council was set aside in a fund to provide a new sound system. Junior High has traditionally helped the city school systems. In other years, they have given three recording machines, pictures to hang in the classrooms, and a whirl-pool bath.

THE 1953 CARDINAL

- We, the Cardinal Staff, have tried to make our '53 yearbook one that everyone will be proud to have. In doing this, we've added here and subtracted there to get different effects — all for the purpose of presenting a lasting history and representation of our high school.

Jack Northrup designed our striking cover, without using the conventional Cardinal bird. The book is divided into two main sections, each beginning with a full two page bleed and special printing effect on the picture. Several different angles and edges have been used in changing the shape of some of our pictures.

We wish to express our thanks to all those who contributed to the '53 Cardinal.

- Contrary to popular belief, the art of eating ice cream was not the only thing on the agenda for the C-Club boys this year. The fellows on the varsity teams had a full time job with their games and practice sessions. Secondary activities included selling those famous pencils and designing a new 6 inch "C" for the members.

Good sportsmanship, school spirit, and adhering to training rules contributed in making this organization successful.

FUTURE FARMERS OF AMERICA

- The F.F.A. had an outstanding year in their district projects. The local chapter's parliamentary procedure team, demonstration group, and entrant in the public speaking division all received superior ratings. Besides this signal success the boys sold enough seed packets in their annual sale to pay the expense of the Father-Son Banquet.

The F.F.A. boasts an all time high membership of seventy-six.

- The Y-Teens organization has a membership of eighty-five girls. The new members were initiated Sunday afternoon, September 28, at 4 o'clock in the Episcopal Parish House. The guest speaker was Miss Betty Deshler, Y.W.C.A. teenage director from Jackson, Michigan.

One of the club's most worthwhile projects was "Chocolate For Europe" at Christmas. The girls sent five hundred Hershey bars to Y-Teens in England, Wales, and Germany. Canned goods were also distributed to local needy families during the holidays. Attractive Valentine's Day tray mats were made for the Coldwater Health Center. The club sponsored a Carnival on March 20. Janice Soule, Peggy Skabo, and Miss Roberts attended the Y-Teen Mid-Winter Conference at Clear Lake on February 13, 14, and 15.

- The Cardinal Service Club, formerly called the "Athletic Police," is composed of twenty boys, ranging from grades nine through twelve.

This organization was formed for the purpose of helping out on various jobs around the school. Some of its duties are to park cars, patrol, and take tickets at home football games.

The boys receive no payment for their efforts, but only obtain satisfaction from the knowledge that they are a great help to their school.

SENIOR PLAY

"The Man Who Came To Dinner"

- "The Man Who Came To Dinner," a sophisticated comedy by Moss Hart and George Kaufman, was enacted by a capable senior cast November 20 and 21 in the Roosevelt Auditorium. The entertaining plot revolved around an arrogant celebrity, Sheridan Whiteside (Mickey Cochrane), who was confined to his host's home after falling on his doorstep and breaking his hip. The audience was captivated with the hilarious schemes that Whiteside and his friends concocted.

JUNIOR PLAY

"The Great Big Doorstep"

- "The Great Big Doorstep," a three-act play by Frances Goodrich and Albert Hackett, was the Juniors' choice for their big fund raising project. Directed by Miss Patricia Church, it was presented in the Roosevelt Auditorium, March 26 and 27, 1953. The ups and downs of the Crochets, poor Creoles, who rescued a plantation doorstep from the Mississippi River and hoped for an equally magnificent home were the highlights of this hilarious comedy.

Our Growing Orchestra

- C.H.S.'s snappy marching band started the 1952-53 school year by participating in the half-time show at all home football games, in addition to performing at Sturgis and the Centreville and Branch County 4-H Fairs. The band took part in the annual Band Day program at the University of Michigan. To entertain the fans, a basketball band played at the armory for all home games.

The A-Band turned showmen as they presented the 1953 follies, "Fun For All," on January 28. Dwight Dailey, alto saxophone artist, starred at the annual formal concert February 17. Both programs were a success due to the able leadership of Mr. Bond and Mr. Olson.

A successful season was completed with the trip to the Hollywood Ice Revue in Detroit, the banquet and formal, the Holland Tulip Festival, and the Memorial Day Parade.

September 26. — With renewed spirit and victory in their blood, the aggressive Cards journeyed to the home of the Adrian Maple Leaves. At the final whistle, the Adrian Maples found themselves at the short end of a 20 to 12 score.

October 3. — In the first game of the season at Cardinal Field, the Coldwater squad lost a heart-breaking decision to the Marshall Redskins. A hotly contested decision in the end zone was the big factor in Marshall's 15-14 win.

October 10. — A fighting Cardinal team spoiled the Hillsdale Homecoming with a decisive 29-14 victory. The Hornets, vastly outplayed by the Cardinals, succeeded in scoring only two touchdowns against the Coldwater substitutes.

ELLENBERGER

This fall, a puzzled but determined exchange student from Germany undertook the task of playing football with diligence and conscientiousness; and was rewarded with a varsity letter and a priceless evaluation of good clean American sports. He also achieved an excellent scholastic rating and graduated with the class of 1953.

John Ellenberger and C.H.S. have benefitted from this exchange program and as the year ends, we all wish to say, "Good luck, John."

RESERVE FOOTBALL

- Coach Bill Zabonick's reserve team, playing a tough schedule this year, was able to win but one game throughout the entire season.

The team showed good spirit all the year and also gave coaches Eby and Zabonick good hopes for next year. This year's team was composed mostly of sophomores and therefore was a young squad. The final game was a thriller for both teams as they battled to a close score, with Sturgis coming out on the winning end.

- Coach Lowe handled the future varsity squad this season and turned out a fine team for the visitors to challenge. This young team played a good brand of ball as they won two games and lost three while tying one. From this team, the coaches should have some good material in the near future. - A spirited and determined Reserve Basketball squad, under the coaching of Bill Zabonick, gave Coldwater fans something to remember. Although their won-lost record appears against them, their actual playing was another thing. Sparked by two returning lettermen, the squad of three Juniors and eight Sophomores racked up a 6 victory, 10 loss, total. With the backlog of talent shown this year on the Reserve team, it seems that Coldwater won't be lacking in Varsity material for several years, at least.
